VACRITE LTD ASBESTOS POLICY

Before commencing any works on any pre 2000 built refurbishment VacRite Ltd or any of its employees and/or sub-contractors will require to see the Asbestos Register and if needed the Asbestos Survey.

Work will not be carried out in any area where asbestos has been identified unless a safe method of working has been established.

All recommendations indicated in any such document will be followed.

If during any refurbishment asbestos that has not been previously identified is discovered or suspected, work will cease immediately.

Work will not restart until a safe working procedure has been agreed.

A handwritten signature in black ink, appearing to read 'A. Pearson'.
